

# July

## NATURE HUNT

You can colour this in too!

### Butterfly

What colour are they?

### Yellow flower

How many petals does it have?

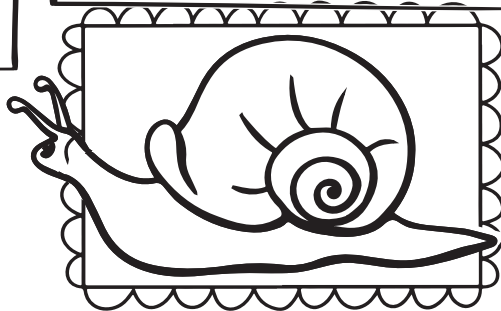

### A bee in a flower

Why do bees like flowers so much?

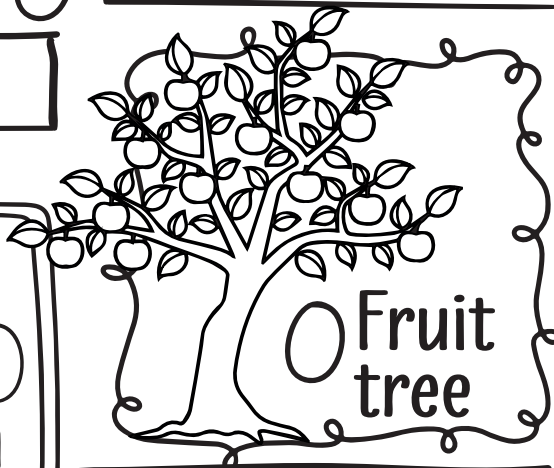

### Tree stump

Who do you think uses it for a seat?

### Snail

What do you think their name is?

### Fruit tree

What type of fruit is the tree growing?

EXPLORER'S NAME:  
DATE OF HUNT:

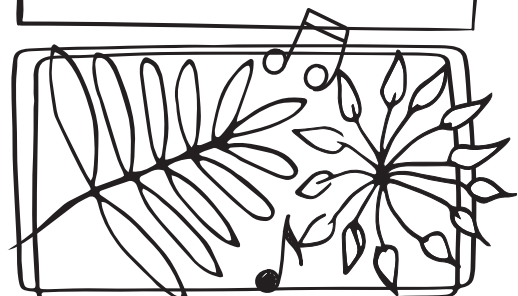

### A Leaf bigger than your hand

You can draw it here!

### Moss

What does it feel like? (make sure to wash your hands after)

### Something that makes a rustling sound

What did you use to make the sound?

We would love to see how many you can find, please tag us on Instagram (@beekind.club) or send any images to [hive@beekindclub.co.uk](mailto:hive@beekindclub.co.uk), happy hunting!
